

MESSAGE TO EMPLOYERS

Greetings,

For this edition of Destination Canada Mobility Forum 2025, RDÉE Prince Edward Island and La Coopérative d'intégration francophone de l'ÎPÉ invite you to join them at various Destination Canada events to meet qualified French-speaking and bilingual candidates looking to settle and work in Canada, particularly in Prince Edward Island. Organized by the Government of Canada, Destination Canada Mobility Forum will be held on different dates and in different formats to maximize the visibility of employers and job offers to international candidates. Employers unable to participate directly can share their job offers with exhibitors from their province or territory, who will in turn relay the information to Destination Canada participants and candidates.

Destination Canada Mobility Forum 2025 event dates :

- February 14 and 15, 2025 (in Paris, France)
- February 18 to 20, 2025 (in Douala, Cameroon)
- March 3 to 5, 2025 (virtual)

By participating in these events, you'll have the opportunity to interact with skilled candidates in a variety of fields, ready to contribute to Canada's economic growth and your local community. CIF ÎPÉ and RDÉE PEI are available to guide you through the registration process, or to represent you if you are unable to attend in person.

For more information or to confirm your participation, please contact us directly.

We hope to be able to count on your participation to best represent Prince Edward Island and work together to solve the labour shortage.

Please do not hesitate to contact us should you require any further information.
